### RICHARD LANGUAGE COLLEGE AND BOURNEMOUTH

Richard Language College is a medium-sized school for adults situated on the south coast of England in a safe, high-class residential area. Bournemouth is a cosmopolitan, seaside resort where most people speak clear English. The college is accredited by the British Council and was the first English language school in Bournemouth to pass an inspection aimed at maintaining excellence in language schools across the whole of Europe. The inspection was carried out by EAQUALS (The European Association for Quality Language Services). The college specialises in short intensive programmes and enjoys a high reputation, developed over 70 years, for long courses. We are also the IELTS/TOEIC testing centre for the region. Richard Language College offers small classes, a good nationality mix and full social programme. Facilities include multi-media resources, free internet access and cafeteria.
